Our world-class facility allows us to take short notice bookings for next week or orders for next year, providing you with a convenient, flexible service and genuinely hassle-free hire.

We've got a choice of Modern Tweed, Argyll or Prince Charlie jackets and waistcoats, as well as a vast selection of stunning tartans. We also use an innovative, eco-friendly Ozone chamber to sanitise all our garments, ensuring that they're 100% clean, and always ready for the next wear.

In today's era of 'fast fashion', renting really is recycling. It's the ethical choice for the contemporary shopper. We're experts at extending the life of a garment and this kind of sustainability is at the heart of everything we do. Support your local towns and businesses by renting from your nearest Cameron Ross Formal Hire stockist. It's fashion without the footprint.
